

Trails End GRAND Adventure MOLLE Mounting Instructions

Please read instructions carefully before installation. We recommend this product be installed by a qualified, and experienced technician. If you are unsure of any of the below directions and or your ability to correctly and securely install this product, please contact us or your local dealer for help. Below diagrams show typical installation, your vehicle may be different so please use diagrams as a guide. Make sure your vehicle is clean and free from dirt, road grime etc. where the this product mounts. It is the riders responsibility to make sure the product is mounted and secure before each use. Loading the bag may result in a change of position, always check for proper mounting position after loading and before each and every ride.

How to attach one of the optional Grand Adventure MOLLE accessories to the MOLLE panel on your tank bag.

- Always use a minimum 3 rows to properly attach.
- Offset the MOLLE loops so the webbing on the accessory lays in between the webbing on the tank bag.
- Take the 2 MOLLE straps on the accessory and insert them into the first MOLLE loop on the tank bag.
- Then pass the strap through the 1st MOLLE loop on the accessory. Continue weaving the strap until you reach the end as shown in the diagram.
- Then connect the snaps located inside the last MOLLE on the accessory.
