

## Installation instructions for Nelson-Rigg® Survivor® Roll Bag: SVT-200

Read instructions carefully before installation. If you have any questions or something is unclear, please contact us or your dealer for clarification. Make sure your motorcycle is clean and free from dirt, road grime etc. where the Nelson-Rigg® luggage mounts.

### Closing the Roll Bag

With Roll Bag sitting on a luggage rack or passenger seat, loosen Velcro® straps. With strap passing through "D" ring, slide Roll Bag over your backrest. Pull to tighten and lay the strap back onto itself, fastening with Velcro®.

Pack your gear into the Roll Bag placing heavier items at the bottom. Close the top opening and roll down toward the base. Secure the rolled top with the male and female buckles. The diagram shows the top rolled in a clockwise direction. Roll away from direction of travel. This way the wind and the rain will not penetrate the bag opening.

### Connecting Roll Bag to optional main bag

Using the 2 straps with 2-male buckles thread through the loops on the Roll Bag and secure to the female buckles on the main bag.

• SVT-200 also mounts to the SVT-300 & SVT-1000

\*Please note that the outer side pockets on the SVT-200 are not waterproof

#### Warning:

Read the installation instructions and make yourself familiar with the process of installing the Nelson-Rigg® product(s) on your bike. It is your responsibility to mount the product correctly and securely as outlined in these instructions. Nelson-Rigg® products are intended for use at USA street legal speeds as posted by the individual States. Nelson-Rigg® luggage must not be overloaded. Max carrying capacity is 10 lbs per bag or the maximum load suggested by the manufacturer of the vehicle, whichever is less.

Failure to adhere to these warnings may result in, but not be limited to: the luggage becoming detached, the product becoming tangled in moving parts of the vehicle, unstable vehicle dynamics, reduction in the ability to control the vehicle. The result(s) of could lead to serious injury.

**Always ride safely, adhering to the local highway regulations. Always wear a helmet and protective apparel.**
